Added in the language on consumer issues that we talked about earlier after conferring w/ OPA. When you have time, let me know what you think of the press release. Thanks.

I added some comments to the roll-out and webpages. Would like to talk with you about the press release and Q&A before I provide written comments. I agree with archiving the flagged web page.

Subject: preview: Chlorpyrifos comms package

Hi Cheryl – Thank you for all the guidance for chlorpyrifos. Below is a preview of the comms. As I mentioned this morning, there seems to be a need for more discussion on how and where to integrated key messages about consumer concerns and pesticide alternatives. A few notes:
